NOTICE OF ENTRY OF PRELIMINARY DECREE AND NOTICE OF AVAILABILITY

THIS IS AN IMPORTANT NOTICE REGARDING YOUR WATER RIGHTS

The Montana Water Court issued a Decree (a list of water rights) in your Basin. This notice may include an abstract (a description of your water right as decreed).

- If an abstract is included with this notice, then your water right is part of the Decree.
- If an abstract is not included with this notice, then your water right is not part of the current Decree.

WHAT IS THE PRELIMINARY DECREE?

The Decree includes abstracts of existing water rights on all sources of water within Basin 76N. These water rights were reexamined by the Montana Department of Natural Resources and Conservation (DNRC) pursuant to Water Court orders. The DNRC may have made changes or identified potential problems on your abstract by placing "issue remarks" on the abstract.

Review the abstracts. The Decree, which consists of Findings of Facts, Conclusions of Law, and abstracts of the water rights, can be viewed at: <https://courts.mt.gov/Courts/Water/Notices-Info/PublicNotices>. If you prefer to view a paper copy, please contact the Water Court or your DNRC office. See below for contact information.

If you believe any water rights in the Decree do not reflect historical (before July 1, 1973) beneficial use, you must file an objection by **March 19, 2024**. Objections must be filed on the forms provided by the Water Court. The forms can be found at: <https://courts.mt.gov/Courts/Water/LegalResources> or by contacting the Court: watercourt@mt.gov or (406)586-4364.

A request to extend the objection deadline must be filed by **March 19, 2024**. If an extension is granted it will be advertised in the Clark Fork Valley Press, The Sanders County Ledger, and the Daily Inter Lake.
