Montana Envirothon

April 23-24, 2018

The Montana Envirothon assists high-school age students learn more about five different natural resource areas. This program is sponsored by the Montana Association of Conservation Districts (MACD) and cooperating agencies. The Envirothon offers hands-on instruction and problem solving for environmentally concerned students. Five-member teams made up of students from the same school enrolled in grades 9-12 compete locally and regionally with the winning team advancing to the state competition. Sponsorship is available through your local conservation district. The state competition for the Envirothon is held in Lewistown.
