

Hyalite Youth Camp

Location for the 2019 Montana Youth Ranch Camp

Hyalite Youth Camp is located on the easterly shore of Hyalite Reservoir about 12 miles by road south of Bozeman Montana. Hyalite Canyon has mountain lakes, spring creeks, waterfalls and beautiful mountain views. There are many opportunities to hike, observe birds and wild animals, and catch fish here.

AMENITIES:

- ◆ There are seven cabins with 8 bunks each and four Quad buildings with 16 bunks each. All cabins and quads have wood framed bunks with no mattresses.
- ◆ There are three tipis located on the grounds.
- ◆ There is a shower building with indoor showers and toilets separated for men and women.
- ◆ There is hot and cold running water.
- ◆ The electrical power is supplied to the entire camp by solar power batter system backed by generators.
- ◆ There is no phone service at the camp or at Hyalite Reservoir.
- ◆ There is a fire pit with benches and firewood.
- ◆ A volleyball court and net, basketball hoop on a tree, horseshoe pit and flag pole located on the grounds.
