

Montana Invasive Species Bulletin

Brought to you by the Montana Invasive Species Advisory Council
www.dnrc.cardd/misac

Welcome to ***Aquatic News*** version 2.0! In this new version, you will continue to receive all the latest news on aquatic invasive species in Montana and the region. What's new is that we've expanded the newsletter to include updates about projects, programs, research, and events for all invasive species that threaten or impact Montana.

A big thank you to Celestine Duncan for publishing *Aquatic News* for the last few years and for keeping us informed and engaged in AIS issues.

We hope you will continue to enjoy and learn from this newsletter. Please let us know if you have any suggestions, contributions, questions, or comments. Email: shester@mt.gov

Montana News

- **SAVE THE DATE:** The Montana Invasive Species Advisory Council (MISAC) is hosting an Invasive Species Summit April 12-13, 2016, at the Gateway Center in Helena. The event is intended to engage stakeholders in an in-depth dialogue and examination of prevention, detection, rapid response, and management of invasive species in Montana.
- **WATERCRAFT INSPECTIONS SEASON WRAP UP:**
