SESSION NAME: Wrap Up
DAY & TIME: Oct. 20, 11:30

FULL DISCUSSION – MAJOR POINTS

• We need to keep the momentum going: set aside time to move things forward
• Summit has provided detail about and perspective on what everyone has to deal with. There is a better understanding that the Forest Service is working hard on these issues
• Matt and Mo’s positions need to remain in place (MT budgeting)
• Highlight leadership among the state and federal employees in your counties.
• This was a great opportunity to spend time with the other players and have time for conversations
• Helpful to learn what Matt and Mo do, and how they are a tool for counties
• Remember that there are other applications of collaboration across the state
