Note: should have been a CES or LG51 # but was decided to keep BDF due to cost share

DECISIONS and ACTIONS:

- **LEAD ADMINISTRATIVE AGENCY**
  Date: 8/25/2017
  Decision: USFS will be the lead Administrative Agency
Rationale: Fire’s specific point of origin was originally unknown but close to both private and BLM lands under USFS protection. Fire became established and moved rapidly to USFS protection. Management was led by the USFS.

Decision Makers: Dave Sabo, John Huston

Action(s) Taken to Implement Decision:
- Payments will be routed to ASC vs DNRC
- Joint Delegation of Authority
- Joint strategy discussions

Financial Responsibility for Actions: Cost Share percentages will apply

- INCIDENT ORDER NUMBER MT-BDF
  Date: 8/24/2017 and 8/26/2017
  Decision: The incident order number was incorrectly given a MT-BDF number when should have been either MT-CES or MT-LG51 showing point of origin. After the cost share was initiated, we discussed correcting the number but since the cost share is in place, it would not impact financials anyhow, therefore left as is.
  Decision Makers: Dave Sabo, Shane Martin, Scott Snelson, Lily Huskey

Action(s) Taken to Implement Decision:
- Lily will note the error on the Firecode validations.

Financial Responsibility for Actions: Cost Share percentages will apply

- COST SHARE BY ACRES
