15. SPECIAL PROVISIONS:

Equipment
- Equipment daily rates do not include personal services.
- Equipment hired under this agreement is subject to the terms and specifications contained in the 2019 Northern Rockies Chapter 50 Supplement to the Standards for Interagency Business Management handbook [http://dnrc.mt.gov/divisions/forestry/fire-and-aviation/fire-business/forms-and-information]. Equipment use should be documented on an Emergency Equipment Shift Ticket (OF-297) and recorded on an Emergency Equipment Use Invoice (OF-286).
- Re-supply of existing office supplies, including but not limited to toner, printer cartridges, and copy paper will be furnished by the incident.
- Home unit will not be reimbursed if the equipment leaves the incident without being released by the incident. The home unit agency shall bear all costs of returning equipment and operator(s) to the point of hire.
- Operator is not included in daily rate. Equipment being driven or transported to and from incidents will be paid at the established work rate. Personnel who deliver the equipment to and from incidents will charge their time to the emergency support number.

Claims
- Claims for damage and loss, which occur at the incident, should be documented with the incident at the time they occur, or prior to demobilization. All equipment damaged in the firefighting effort is the responsibility of the ordering agency. Property management procedures shall be according to the Standards for Interagency Incident Business Management handbook, Chapter 30.

16. PAYMENT PACKAGE INFORMATION:

ORIGINALS of all forms (Emergency Equipment Use Invoice [OF-286] and Emergency Equipment Shift Tickets [OF-297]) shall be given to the resource at time of release from the incident. Only COPIES of the documentation shall remain with the incident finance sections.
