OBJECTIVES

Some sections of the NWCG Standards for Interagency Incident Business Management (SIIBM) do not apply to Idaho Department of Lands (IDL); Montana Department of Natural Resources and Conservation (MTDNRC); North Dakota Forest Service (NDFS); or South Dakota Forest Service (SDFS).

Agency-specific information for MTDNRC, NDFS and SDFS can be found by subject matter within each supplement. IDL information can be found on their website: <https://www.idl.idaho.gov/fire-management/>. For example, Emergency Firefighter pay rates for Montana and North Dakota can be found in the Chapter 10 supplement; contract administration for city, county and rural fire departments and other pertinent state-specific information can be found in Chapter 50 (Cooperative Relations) supplement. If there are questions regarding agency-specific business management issues, contact:
