

INSTRUCTIONS FOR USE

These detail DNRC training, experience and physical fitness requirements by function and position for wildland fire suppression, that differ from the NWCG 310-1. The charts consist of five areas; Position Name, Required Training, Last Five Years Experience Requirements (three years for Aviation positions), Physical Fitness Requirement and Prerequisite Position Requirements.

Note : |_____| = Position acronyms that are agency specific, or required within the Northern Rockies Geographic area.

1. POSITION - The acronyms symbolize various ICS positions. All ICS positions are not shown, but rather those used by DNRC most often.
