

STATEMENT OF MARKET VALUE

DNRC - TRUST LAND DIVISION
Agriculture & Grazing Management Bureau

»» NOTE: PAYMENT MUST BE SUBMITTED WITHIN 10 DAYS OF THE MARKET VALUE DATE

(To be completed by lessees who purchases the state share of crop production)

All market value quotes for purchasing state wheat, barley, peas, lentils, mustard, beans, flax, sunflower, and canola must be based on test results obtained from the state grain laboratory. **The state grain lab certificate must be included with this statement of market value and the production report.** DNRC will allow the lab cost to be deducted from your payment. **Taxes can not be deducted when Lessee is buying the State's Share.**
