CONDITIONS/STIPULATIONS OF LICENSE

By signing this application the licensee acknowledges and agrees to the following terms and conditions:

1. This license is issued subject to the licensee and users thereof observance of Department of Natural Resources and Conservation rules and regulations and Montana State laws pertaining to recreational use.

2. This license is non-transferable and may only be used by the licensee for the purpose which it is used. License is only valid for the lands described above.
3. Licensee must have this license in his/her/their possession when using state lands for the permitted use and must present said license to Department of Natural Resources and Conservation employees or to authorized enforcement personnel upon request.
4. The licensee accepts full responsibility for all fires that may result from this use and shall take all reasonable precautions to prevent and suppress fires.
5. All garbage must be removed from the state land.
6. The use of fireworks is prohibited on state land.
7. No off-road vehicle use is permitted unless specifically approved by the Department in writing.
8. Any and all pets must be on leash, kenneled, or otherwise under the control of the recreationist when on state land.
9. The Department may assess a civil penalty of up to \$1,000 for each day of violation of this license.
10. The Department reserves the right to cancel this license for any of the following causes: misrepresentation, fraud, or concealment of fact relating to the issuance of this license or such facts if known would have prevented the issuance of this license; use of the premises for purposes other than those herein authorized or any other misuse or abuse of the premises; or for any other reason which in the judgment of the department is necessary for the protection of the best interests of the State. Cancellation of this license for reasons stated in this section will not entitle the licensee to any refund of or exemption in the payment of license fee stated.
11. Licensee will not cut or remove or allow to be cut or removed any timber from the premises without permission from the Department.
12. All personal property must be removed from the premises upon termination or expiration of this license. Any property remaining after 24 hours will become the property of the state.
13. The licensee will not disturb or remove or allow the disturbance or removal of any cultural, historical, or paleontological resources on these lands.
14. The licensee shall be responsible for controlling any noxious weeds introduced by licensee's activity on state-owned land. The licensee's method of control must be approved by the Department of Natural Resources and Conservation's Northeastern Land Office. The licensee shall comply with the Montana County Noxious Weed Management Act, § 7-22-2101, MCA. Only certified weed-seed-free hay may be used on state land.
15. The licensee will take all reasonable precautions to prevent or minimize damage to natural (i.e. vegetation, soil, water) resources within the areas of this license. Upon cancellation of the license by either party to this agreement, or upon final expiration of the agreement, the licensee shall reclaim any disturbed areas to the specifications of the department.
16. The licensee shall notify all employees, participants, and/or users engaged in the activity authorized under this license, that use of these lands are at their own risk. The licensee agrees to hold the State harmless from claims and lawsuits that may result from any and all damages or death to persons and or property that occur upon or about said land caused by or arising out of the licensee's use of the subject area. The licensee further agrees that they will be responsible for any damages to the surface lessee's, licensee's, or permittee's property or leasehold interest that may be caused during the use of these lands.
17. Access to the state land is not implied, guaranteed, or authorized by issuance of this license. Legal right of access through or use of private, federal, or other lands must be secured by and is the sole responsibility of licensee.
18. Road use upon state land is restricted to existing public roads and to roads which have been designated open or specifically authorized for use by the department under the terms of and subject to the conditions of this license. Off-road use and use of non-designated or non-approved roads is strictly prohibited. Such designated approval applies only to that portion of the road located on state land and does not grant or imply use of any portion of the road which is not located on state land.
19. SPECIAL CONDITIONS/STIPULATIONS:
