**Re:** Basin 41Q Interlocutory Decree Summary Report Review  
**Date:** September 24, 2021

On August 26, 2021, an updated Basin 41Q Interlocutory Decree Summary Report was emailed to the Water Court. This Summary Report contains 566 exempt claims and 9 timely filed claims.

For claim data or remark questions, I emailed all inquiries to Laura Hink at the DNRC. For printing, program errors, and remark updates, in conjunction with Court Administrator Sara Calkins, we directed all inquiries to Laura Hinck, Matt Murphy, and Dave Coey.

All questions and edits are chronicled in the Interlocutory Decree Summary Report email archive saved at Share\WC-BASIN FOLDERS\401Q ILT\Summary Report\Email Correspondence

The Summary Report has been reviewed pursuant to the Montana Supreme Court Water Right Claim Examination Rules. Pursuant to these Rules, no issues or concerns remain with the Basin 41Q Interlocutory Decree Summary Report.

The Interlocutory Decree includes the 566 exempt claims in the Summary Report.

The Interlocutory Decree is now ready to be printed and issued.
