

**FLATHEAD COUNTY PLANNING & ZONING OFFICE
1035 1ST AVENUE WEST
KALISPELL, MONTANA 59901**

INTERNAL MEMORANDUM

DATE: 11/27/2006
TO: COMMUNITY RATING SYSTEM ANNUAL RECERTIFICATION FILE
FROM: TRACI M. SEARS-TULL
RE: SECTION 540 – DRAINAGE SYSTEM MAINTENANCE

Inspections of the Flathead County watercourses and drainage basins are mainly conducted by the Flathead County Road and Bridge Department and periodically by the Floodplain Coordinator typically during the Spring months every year.

The attached work logs demonstrate that the County is continually conducting maintenance and floodplain surveys throughout the year.
