

Repetitive Flood Claims Program

Program Overview

The Repetitive Flood Claims (RFC) grant program was authorized by the Bunning-Bereuter-Blumenauer Flood Insurance Reform Act of 2004 (P.L. 108–264), which amended the National Flood Insurance Act (NFIA) of 1968 (42 U.S.C. 4001, et al).

Up to \$10 million is available annually for FEMA to provide RFC funds to assist States and communities reduce flood damages to insured properties that have had one or more claims to the National Flood Insurance Program (NFIP).

Federal / Non-Federal Cost Share

FEMA may contribute up to 100 percent of the total amount approved under the RFC grant award to implement approved activities, if the Applicant has demonstrated that the proposed activities can not be funded under the Flood Mitigation Assistance (FMA) program program.

Program Guidance Links

The June 1, 2010 HMA guidance is in the FEMA library and can be accessed through this link.

RFC guidance from previous fiscal years can be accessed through the RFC archives.
