

MONTANA SILVER JACKETS GENERAL MEETING

Thursday, December 8, 2016
Multi-Use Facility
312 S Merrill Ave, Glendive, MT

This meeting serves to bring together multiple stakeholders to discuss levee issues in eastern Montana. State and federal agency representatives will be on hand to discuss both the US Army Corps' levee program and FEMA's levee certification process with local levee communities. The goal of this meeting is to answer community questions and concerns with regard to the US Army Corps and FEMA's levee program and explore how all stakeholders can increase collaboration going forward in order to better understand each community's unique flood risks.
