2013 Gilbert White Flood Policy Forum

How do I get a copy?

<http://www.asfpmfoundation.org>

The image shows a screenshot of the ASFPM Foundation website. At the top, there is a navigation bar with links for "ASFPM Foundation", "ASFPM", "Scholarship", "Support Flood Loss Reduction", and "Suggestions". Below this is a banner with the ASFPM logo and several images related to flood management. On the left side, there is a vertical menu with buttons for "Inside the Foundation", "Activities", "Flood Policy Forum", "Fundraising", and "We Remember Gilbert F. White". A red arrow points to the "Flood Policy Forum" button, which has a dropdown menu showing "About", "2013 Forum", "2010 Forum", "2007 Forum", and "2004 Forum". In the center, there is a "Remember" section. Below that, there are sections for "MISSION STATEMENT" and "VISION STATEMENT". At the bottom, there is a "Flood Manager" logo and a "Donate" button. A browser window is overlaid on the right side of the page, displaying a presentation slide titled "Holistic Coasts: Adaptive Management of Changing Hazards, Risk, and Ecosystems". The slide features the ASFPM logo and text: "A Summary Report based on the 8th Assembly of the Gilbert F. White National Flood Policy Forum, Arlington, Virginia, December 2013". The browser window also shows a page thumbnail gallery on the left.

Worst Flooding in a Generation Hits Jefferson
25-Year Flood has hit Jefferson

This just in. A flood on the scale of a 25-year flood has hit the County. Hundreds left homeless. We now cut to the Mayor's news conference.

Foundation State Symposia

- ASFPM Foundation members and chapter leaders all agree that these state symposia have succeeded by:
 - Engaging chapter members;
 - Exploring differences in scope and focus; and,
 - Discussing issues at the state and local level, and plan out potential future actions.
 - Application due in August
 - Foundation donates up to \$5,000 matching
- Successful Symposia conducted:
 - 2011 IN & CO 2014 FI
 - 2013 TX & GA 2015 IL & AZ

National Building Museum

ASFPM Foundation and ASFPM are sponsors of the new exhibition at the National Building Museum in Washington, DC titled “*Designing for Disaster.*” That ran through Aug. 2, 2015

***Designing for Disaster* exhibition focused on how to reduce impacts of natural disasters, and explores disaster mitigation and resiliency as an evolving science**

For more information about the National Building Museum, please visit www.nbm.org.

Larry Larson Speaker Series

“Creating Flood Resilient Communities”

**Inaugural speaker Ali Zaidi
Associate Director for Natural Resources
Energy and Science Programs
Office of Management and Budget
Executive Office of the President**

**Ongoing Series of speakers to create opportunities
for interaction among the nation’s thought leaders
on flood risk reduction policy**
