To Whom it May Concern,

Enclosed please find an application for one well for domestic and lawn and garden purposes. I hope that you find the application to be complete and sufficient. If additional information is required, please contact me directly and I will provide the required information in short order.

Our cabin burned down in the Boulder 2700 fire last summer and we are planning to build a new home this summer. We acquired the appropriate permits from Lake County this spring, including the well and wastewater treatment system locations, as shown on the enclosed sanitation layout, but recognize a new water permitting system is in place. Again, if any additional information is required, please call or email me.

Thanks a lot.
