Re: Revised Lot Layout in Subdivision Approval Statement Application for
Tract B of Certificate of Survey #5663
Section 33, Township 21 North, Range 10 West
Geo Code: 15-3104-33-302-10-0000

Mr. Sanchez:

I visited your property at 47255 Michel Road and determined that a revised lot layout in subdivision approval statement is not necessary for your current development plans for the property. The shift in locations of the proposed well and wastewater treatment system location are minor deviations and are still in compliance with E.Q. #00-1985.

I am returning your application and fees. I am also providing a copy of this letter for the file and our LAND database.

I look forward to the future when you develop the property.

Please contact this office if you have questions regarding this matter.

Sincerely,

Diana Luke, R.S.
