12/21/17

The Montana Department of Natural Resources and Conservation, Clearwater Unit is proposing to harvest timber on the following state-owned parcels:

**Sections 24 and 26 T16N R14W, Pine Hills Permanent Trust
Sections 20 and 32 T16N R13W, Common Schools
Sections 28, 29, and 33 T16N R13W, and Section 35 T16N R14W, Public Building

DNRC specialists have gathered data in the Kozy Korner Timber Sale project area since this project was initially proposed. Due to their on the ground observations and new data gathered during project development, DNRC has refined the expected volume for these proposed sales. The sales would produce approximately 6.4 million board feet from approximately 2,188 acres.

Thank you for your participation in the Kozy Korner Management Project.

Sincerely,
