

THE FLATHEAD RESERVATION WATER MANAGEMENT BOARD

Bylaws
[], 2023

ARTICLE I. PURPOSE, EFFECTIVE DATE, AND JURISDICTIONAL BOUNDARIES

[Compact Article IV.I.1]

[General Question of Organization – should bylaw ARTICLE and SECTION terms be replaced with CHAPTER, PROVISION, BYLAW, MEASURE, or other to avoid confusion with newly added Compact referencing?]

The Flathead Reservation Water Management Board (the “Board”) is an independent board, composed of Tribal and State appointed representatives, created by the Confederated Salish and Kootenai Tribes (CSKT) - Montana water rights compact (MCA 85-20-1901) (Compact) and the Unitary Administration and Management Ordinance (MCA 85-20-1902 and CSKT Ordinance No. 111-A) (Ordinance) to be the exclusive regulatory body for water rights administration on the Flathead Indian Reservation, including the issuance of new water rights and change applications. The Board has exclusive jurisdiction to resolve any controversy over the meaning and interpretation of the Compact on the Reservation, and any controversy over the right to the use of water as between the parties or between or among holders of appropriation rights and existing uses on the Reservation.

The jurisdiction of this Board includes all areas within the exterior boundaries of the Flathead Indian Reservation and does not extend to any water rights whose place of use is located outside the exterior boundaries of the Reservation.

The Board’s creation and jurisdiction began on September 17, 2021, which is the Effective Date of the Compact.

ARTICLE II. BOARD COMPOSITION, APPOINTMENT, TERM LIMITS, AND ELIGIBILITY REQUIREMENTS

SECTION 2.1 COMPOSITION AND APPOINTMENT [Compact Article IV.I.2.a-d]

Voting Members. The Board shall consist of five voting members:

Two members selected by the Governor of the State after consultation with holders of Water Rights Arising Under State Law located on the Reservation;

Two members appointed by the Tribal Council; and

A fifth member selected by the other four members.

Ex Officio Member. The Board shall also have a sixth, non-voting member appointed by the Secretary **of the Department of Interior.**

Appointments are made pursuant the Compact Article IV.1.2.b-d

SECTION 2.2 TERMS OF BOARD MEMBERS [Compact Article IV.1.2.e]

Initially, three voting members of the Board shall serve for four years and two shall serve for two years. Once the initial two-year appointments expire, all subsequently appointed Board members shall serve four-year terms. The sixth, non-voting, member shall be appointed for four years.

SECTION 2.3 BOARD ELIGIBILITY [Compact Article IV.1.2.f]

To be eligible to serve on the Board, an individual must be over 18 years of age and be a Reservation resident. For the purposes of filling a position on the Water Management Board, a Reservation resident is an individual who:

- does business within Flathead Indian Reservation boundaries;
- is domiciled within Flathead Indian Reservation boundaries; or
- owns and maintains a seasonal residence within Flathead Indian Reservation boundaries.

An eligible individual must also have education and experience in one or more of the following fields: natural resources management, public administration, agriculture, engineering, commerce or finance, hydrology, biological sciences, water law or water policy.

No elected official of the State of Montana, or any political subdivision thereof, or of the United States, or of the Tribes is eligible for nomination to the Board while holding such elective office. However, a nominee for Board membership shall not be disqualified by reason of the fact that he or she is an employee or contractor of the State of Montana or any political subdivision thereof, or of the Tribes, or of the United States.

SECTION 2.4 VACANCIES OF BOARD MEMBERS [Compact Article IV.1.2.g]

[Abbreviated from previous draft]

In the event there is a vacancy of the Board due to resignations or other, the Tribal Council, if the vacancy is in a position appointed by the Tribal Council, or the Governor, if the vacancy is in a position appointed by the Governor, shall name a new Board member within 30 days of the occurrence of the vacancy. Should Board action be required during the period of any such vacancy, the Department Head of the Tribal Natural Resources Department, if the vacancy is under the purview of the Tribal Council, or the Director of the DNRC, if the vacancy is under the purview of the Governor, shall fill the vacant position until a new appointment is made.

SECTION 2.5 REMOVAL OF BOARD MEMBERS

[Board members, these are new options listed for your consideration, but don't feel restricted or confined in your bylaw options on this matter – please do provide additional preferences/guidance on this important issue]

[option #1 – Remove Section Entirely]

~~SECTION 2.5 REMOVAL OF BOARD MEMBERS~~

[option #2 – Misconduct Section]

Any Board member may be removed for misconduct or poor performance, by a unanimous vote the other voting Board members at a duly held meeting at which all remaining members are present.

Poor performance includes repeated failure to attend mandatory Board meetings, failure to operate within meeting bylaws and decorum, failure to fulfill Board assignments. Misconduct includes but is not limited to harassment, discrimination, operating while impaired, theft, and criminal, fraudulent, illegal, or dishonest activity that constitutes a break of trust. Misconduct may not be limited exclusively to Board-related activities if misconduct outside of Board activities is determined to infringe on the ability of a Board member to effectively perform Board activities due to a lack of public trust. Willingly holding back information pertaining to conflicts of interest, as defined in **Article VI** of these bylaws may constitute misconduct.

Any Board member may assert that another Board member has conducted poor performance or misconduct, thereby initiating a motion for Board members to consider whether poor performance or misconduct has occurred through normal motion and majority vote procedures. Board members may choose to alternatively hold a hearing to better investigate allegation of Board member poor performance or misconduct, which may or may not include outside testimony and information demonstrating poor performance, misconduct, or the lack thereof.

For purposes of this section and in relation to the removal of a Board member, a majority of Board members must vote on whether the performance of any Board member should be defined as poor performance or misconduct, as confirmed by the Board through majority vote of all Board members excluding a vote from the Board member accused of poor performance or misconduct.

[option #3 – CSKT definition of misconduct could be used for the Board]

2–1–922. Official misconduct.

(1) A Tribal public servant commits the offense of official misconduct when in his or her official capacity he or she commits any of the following acts:

- (a) purposely or negligently fails to perform any mandatory duty as required by law or by a court of competent jurisdiction;
- (b) knowingly performs an act in his or her official capacity which he or she knows is forbidden by law;

- (c) with the purpose to obtain advantage for himself or herself or another, performs an act in excess of his or her lawful authority;
 - (d) solicits or knowingly accepts for the performance of any act a fee or reward which he or she knows is not authorized by law.
- (2) Official misconduct is a Class D offense over which the Tribes have exclusive jurisdiction.
- (3) A public servant who has been charged as provided in this section may be suspended from his or her office without pay pending final judgment.

[option #4 – coordination with appointing entity]

If a Board member is determined to have committed poor performance or misconduct, the Board must draft a letter to the appointing entity requesting the Board member be replaced by a new appointee and must obtain written accord from the appointing entity. If the Board member in question is the 5th Board member, the Board must provide written accord before beginning the process for replacing the 5th Board member position.

[option #5 – burden shifted to appointing entity]

In the event that Board members question the performance or conduct of a particular Board member, the Board will consider through majority vote of all remaining Board members, to provide written request to the entity appointing that Board member that they review their appointee's performance and conduct and either remove the Board member or affirm the appointment.

[option #6 – burden shifted to appointing entity (KP): The Compact Article IV (I) (5)(a) states in pertinent part: Powers and Duties.

"In General. The Board shall have the power to promulgate procedures, prescribe forms, develop additional materials and implement amendments thereto as may be necessary and proper to exercise its jurisdiction and carry out its assigned functions under this Compact and the Law of Administration.

Article IV (J) (5)(a) states in pertinent part:

J. Amendments to the Law of Administration. The Board may not amend the Law of Administration. No amendment by the Tribes or the State of the Law of Administration shall be effective unless and until the other makes an analogous amendment. Such modifications are pursuant to, and shall not be deemed an amendment of, this Compact. This authority must be left to reside with the Governor and/or Tribal Council.

So, the Board may make necessary rules to implement the Ordinance and the Compact, but not rules that increase its authority, which would have to change the Compact and Ordinance. Neither the Compact nor the Ordinance authorize the Board to terminate Board members, therefore for the Board to do this in the By-Laws could be a challengeable action for exceeding its authority.]

A Board member may be terminated only by the Governor for state appointments, and only by Tribal Council for tribal appointments. The Board may recommend termination of a Board member to the Governor or Tribal Council by a unanimous vote of the other four voting Board members at a duly held meeting at which all remaining members must be present. The fifth Board member that was selected by the Board may be terminated only by unanimous recommendation to both Tribal Council and the Governor, who must agree to terminate.

[Option #7 – Suggested by DNRC and CSKT]

Appointed member: The Board may recommend to the appointing entity the removal of a Board member by a unanimous vote of the other voting Board members at a duly held meeting at which all remaining members are present. The Board will direct any recommendation to remove a State appointed member to the Governor of Montana. The Board will direct any recommendation to remove a Tribal appointed member to the Tribal Council. The Board will direct any recommendation to remove the Ex-Officio member to the United States Secretary of the Interior.

Board selected member: The Board selected member may be removed by a unanimous vote of the other voting Board members at a duly held meeting at which all remaining members are present.

SECTION 3.2 BOARD POSITION ELECTION FREQUENCY AND TERM

Once per year, during the Board's first or second meeting of the year, Board positions will be determined and revisited. Absent request from the Board to make changes, there is no mandate to change Board positions and no position has a term limit.

SECTION 3.3 BOARD POSITION ELECTIONS

To select or reaffirm Board members' positions, an agenda item for board positions is noticed at a regular Board meeting.

For each position, the meeting floor is opened for Board members to nominate or reaffirm a seated position by fellow Board members. Nominees must accept the nomination in order for their name to stand for the position. The floor remains open for nominations until no more nominations or reaffirmations are made. When nominations have been completed, the nomination process is declared closed and those individuals who have agreed to let their names stand are now candidates for election to the position.

The election is held using a **voice vote**. Board members can vote for themselves if they are a candidate. The candidate with the most votes is selected to hold the Board position.

If only one person accepts the nomination for a Board position, the Board still holds a vote to affirm the position, which requires a majority vote.

If no Board member accepts a nomination for a Board position, the position is filled by lottery decision from Board members that are not already selected into a Board position.

Board positions are selected one at a time, in the order they are listed in section 3.1 above.

SECTION 3.4 BOARD COMMITTEES AND/OR WORKGROUPS

The Board **may** create committees and workgroups for special tasks. Appointees to committees and workgroups are made by the Board Chair or Vice Chair in the absence of the Chair. Final formation of committees and workgroups, including appointments, is approved by majority vote of the Board. **All committees and workgroups must meet and operate within the Board’s open-meeting guidelines, which require noticing the meetings, allowing for public comment and participation, and maintaining of public records.**

Meetings of the Board, whether regular or executive, may be held by means of a conference telephone or similar communications equipment, by means of which all persons participating in the meeting can hear each other. Participation in a meeting pursuant to this section shall constitute presence in person at such meeting. ~~Any act of the Board may be taken (a) without a meeting or (b) by telephone or email poll, provided that written consent in writing is obtained from all other voting members of the Board with respect to the subject matter. The consent shall have the same force and effect as a unanimous vote of the Board.~~

SECTION 8.10 QUORUM; ACT OF BOARD

[as per CSKT/MT suggestions] As set forth in Article IV.1.3 of the Compact, four voting members of the Board shall constitute a quorum. No Board action may be voted upon in the absence of a quorum. All Board decisions shall be by affirmative vote of a majority of the Board. If a proposal put to a vote of a quorum of Board members ends in a tie vote, the proposal, or matter under consideration is deemed disapproved or denied. Except as otherwise provided in the Compact or Ordinance, if a quorum is present, the act of a majority of members present at the meeting shall be the act of the Board. Each voting member shall have one vote. There shall be no voting by proxy.

Any action taken must be by a majority vote, except as specified in Ord. 2-2-104 and 3-1-117.

[NEW] Specific actions require unanimous vote of a quorum, such as: water right application form actions presented by the Office of the Engineer, Removal of a Board member or determination of the presence of poor performance or misconduct of a Board member, removal of a Water Commissioner, or, [Section to be revised once all voting requirements are known]

A Quorum is required for a meeting, but not for a majority vote within that meeting, meaning that abstention of Board members does not inhibit the majority voting process.

SECTION 8.11 BOARD OPERATING RULES

[selected abbreviated version from last draft]

The Board generally operates under Robert's Rules of Order for small boards.

SECTION 8.12 ADJOURNMENT

Ordinarily, the Chair or Vice Chair shall request a motion to adjourn before adjourning a meeting. However, a majority of the members present at a meeting, whether or not a quorum is present, may adjourn any Board meeting to another time and place. ~~Notice of the time and place of holding an adjourned meeting need not be given to absent members if the time and place be fixed at the meeting adjourned; provided, however, that if the meeting is adjourned for more than twenty-four hours, notice of any adjournment to another time and place shall be given prior to the time of the adjourned meeting to the members who were not present at the time of the adjournment.~~

SECTION 8.13 REVIEW AND ENFORCEMENT OF BOARD DECISIONS [Compact Article IV.I.6]

Decisions by the Board shall be effective immediately, unless stayed by the Board. Persons involved in the proceedings before the Board may appeal any final decision by the Board to a Court of Competent Jurisdiction within thirty days of such decision. An appeal of a final decision of the Board shall be styled as a petition for judicial review of an agency decision pursuant to the rules of procedure of the court from which review is sought. The petition for judicial review shall be filed with the Board and the court and served upon all Persons involved in the proceeding before the Board, as well as the Tribes, the State and the United States. Service shall be accomplished according to the requirements of the court's rules of procedure.

Unless a petition is filed within thirty days of a final decision of the Board, as provided in Article IV.I.6.a, any decision of the Board shall be recognized and enforced by any court with personal and subject matter jurisdiction over the matter on petition by any Person, or a successor in interest, before the Board in the proceeding in which the decision was made.

A Court of Competent Jurisdiction in which a timely petition is filed pursuant to Article IV.I.6.a, or any court with personal and subject matter jurisdiction over the matter in which a petition to confirm or enforce is filed pursuant to Article IV.I.6.b, may order such temporary or permanent relief as it considers just and proper subject to the limited waivers of immunity set forth in Article IV.I.8.

An appeal may be taken from any decision of the court in which a timely appeal is filed pursuant to Article IV.I.6.a, or in which a petition to confirm or enforce is filed pursuant to Article IV.I.6.b, in the manner and to the same extent as from orders or judgments of the court in a civil action.

In any petition to confirm or enforce the Board's decision, the Board shall file with the court to which appeal is taken the record of the proceedings before the Board within the time and in the manner provided by the court's rules of procedure.

The appellate court shall conduct the review on the record made before the Board. In considering the petition, the Board's legal conclusions shall be reviewed for correctness and its factual findings for abuse of discretion.

In the event that a court determines that it lacks subject matter or personal jurisdiction to rule on a petition for judicial review of a Board decision, the party filing the petition shall be entitled to petition for judicial review from any other Court of Competent Jurisdiction within thirty days from the date of a final court order finding a lack of jurisdiction.
