

Leopold Conservation Award 2023

Application Deadline: March 15, 2023

Please provide all of the following information in your application.

Name of Nominee, Name of Farm/Ranch/Business, Mailing Address, Primary County(s) of operation, Email Address, Phone Number, Website:

Name of Nominator, if different from nominee:

If you are selected for the Leopold Conservation Award, how would you like your name to appear on the award: (Examples: John Smith, John Smith and Family, Smith Family Farms)

Please address the five criteria, and limit each response to 1,000 words.

- 1. Conservation Ethic** – Describe how the nominee has voluntarily exceeded the minimum obligations of regulation to enhance and conserve natural resources.
- 2. Resilience** – Describe the business and conservation methods used by the nominee to make the operation productive into the future.
- 3. Leadership and Communication** – Describe significant efforts the nominee has made to share his/her conservation ethics and techniques with others inside and outside of agriculture. Describe community service, positions held, leadership roles and media outreach.
- 4. Innovation and Adaptability** – Describe how the nominee has taken risks by utilizing or experimenting with new techniques to adapt to change (consumers, markets, weather, regulations, etc.).
- 5. Ecological Community** – Describe how the nominee's agricultural operation works with natural systems (soil, water, plants and wildlife, etc.). Describe how this benefits others.

Describe any other relevant accomplishments and/or challenges.

Please provide this additional information: Your responses to the following do not impact the selection of the Leopold Conservation Award recipient. This information is intended to help the judges learn more about your practices.

Number of acres under management (there is no minimum or maximum acreage required).

Provide a one line description of your farm/ranch/forest (examples: dairy farm with cash crops; cow/calf beef operation; integrated forestry with focus of pulp wood production).

Which local, state, federal agencies or partner organizations are involved with the nominee's conservation practices?

Which, if any, federal conservation programs do you utilize (e.g. EQIP, CSP, CRP)?

Which, if any, farm advisors do you work with (e.g. crop consultant, Extension agent)?

Attach three letters of recommendation. At least one should be from a natural resources conservation organization or agency.

Please sign and submit the following statements with the application.

1. I agree to be a nominee for the Leopold Conservation Award.
2. I manage and/or own the property described in this application.
3. The agricultural operation described in this application is in compliance with all applicable regulations, and provides a positive example of environmental stewardship.
4. I understand I may be asked to be available for communications/media opportunities to promote the message of voluntary private lands conservation.
5. I understand a video will be produced featuring my agricultural operation, which will require my participation.

Application materials may be mailed or emailed:
