Community Wildfire Defense Grant Program

BACKGROUND

The Community Wildfire Defense grant aims to fund revision or development of Community Wildfire Protection Plans (CWPP), or the implementation of projects described in a CWPP. This grant program supports the goals of the National Cohesive Wildland Fire Management Strategy:

- Establishing fire adapted communities

- Restoring resilient landscapes

- Fostering safe and effective response to wildland fire

The Community Wildfire Defense Grant (CWDG) Program is funded through the Infrastructure Investments and Jobs Act (IIJA), which will provide $1 Billion in funding over 5 years. Funds are awarded through a competitive process. These funds are used for projects on non-federal lands and cannot be used to compensate federal labor or expenses.
