

EMERGENCY FIREFIGHTER (EFF) PAY PLAN AND POSITION MATRIX

Rates Effective January 27, 2024

Per MCA 76-13-104, the DNRC may employ additional personnel to protect the natural resources of the state. When conditions warrant, the DNRC hires temporary Emergency Firefighters (EFFs) for emergency operations that require more personnel than are already on staff. *An EFF is an individual hired of necessity to cope with a sudden emergency, actual or potential, which threatens damage to DNRC protected property.*

EFF employment is sponsored:

1. To fight an ongoing wildland fire incident or to support an all-hazard incident.
2. To hire personnel during unusually dry periods or when local fire danger is high to extreme; when fuel or weather conditions are such that fires can readily ignite, spread rapidly, and do substantial damage; or when risks of fire occurrence are high (for example, severity authority or prevention team activation).
3. To provide support to an ongoing incident, including post-incident administration (for example, dispatch, warehouse/cache workers, administrative support, etc.)

EFFs are not authorized for non-suppression projects or support, such as for RX fires or fuels management.

Employment terminates when the EFF's work on the incident is complete.

EFF rates of pay are determined by the nature of the EFF work assigned.

When an EFF Class B-O works as a trainee, they shall be paid one EFF class below the fully qualified EFF class. For example: an engine boss (ENGB - EFF-F) as a trainee would be paid at the EFF-E class.

Refer to the DNRC 300 – Incident Business Management Manual for EFF hiring information and pay provisions. This manual can be found at the following website under DNRC Manuals: <https://dnrc.mt.gov/Forestry/Wildfire/agreements-plans-guides>. Reference information may also be found in the NRCG SIIBM supplements to Chapters 10 and 50. Both chapters can be found at: <https://dnrc.mt.gov/Forestry/Wildfire/forms-information>.

In the event there is an emergency in progress on the effective date of this Pay Plan, the EFFs on that emergency shall be paid under the provisions of the EFF Pay Plan in effect at the time of hire.

The DNRC Incident Business Committee facilitates establishment of rates and reviews positions on an annual basis.
