Other conditions relative to this agreement:

1. Costs incurred by cooperators not engaged with the host agency or Incident Management Team (IMT) in the fire suppression activities will not be included as a part of this cost share agreement.
2. Responsibility for tort claim costs will not be a part of this agreement. Responsibility for these costs will be determined outside this agreement.
3. Agency specific costs will not be shared.
4. Costs for accountable, sensitive, and durable property purchased by each agency will be charged directly to that agency and will not be shared.
5. Non-suppression rehabilitation costs are the responsibility of the jurisdictional agency and will not be shared.
6. Each agency (including supporting agencies) will bill for their costs as outlined in the Cooperative Fire Management Agreement billing procedures.

Protecting Agencies' Strategies:

The strategy for all agencies associated with this incident is full suppression with full perimeter control

Cost Share Methodology and Rationale:

The percentage of acres burned methodology was chosen for these fires because the values at risk and the effort was equal for all agencies involved. See attached map for incident acreage.

Final Agency Apportionment:

1. Federal Share:

b.	BLM	39%
----	-----	-----

2. State Share :
