Grant Request Narrative

Briefly describe the need for VFA grant assistance and how it will benefit this department:

By signing this application, I acknowledge the following:

- I have reviewed this application in its entirety and the answers are accurate to the best of my knowledge.
- I have completed a detailed description and price quotes for the funds being requested.
- All fire organizations requesting funding have completed an **Appendix A** form and it has been included in this application package.
- The VFA grant is reimbursable. This means the fire department must pay the entire invoice for items purchased before submitting paperwork for reimbursement. Federal guidelines prohibit payment to the fire department without proof of the fire department expending funds on awarded items.
- I understand the deadline for reimbursement is **December 31, 2025**.
- If there is a change in leadership, all criteria and deadlines remain in place.
- Purchases must match the application request, Appendix A, otherwise the department will not be reimbursed.
- I understand that I cannot put in for items to be reimbursed unless the purchase date is after the date on the award.

SIGNATURES I hereby authorize the proposal for funding submitted for this Volunteer Fire Assistance Grant. I certify that, based on my personal knowledge, the information provided is accurate and true.
