

**IN THE WATER COURT OF THE STATE OF MONTANA
YELLOWSTONE DIVISION
BEAVER CREEK, TRIBUTARY TO LITTLE MISSOURI RIVER (BASIN 39G)**

NOTICE OF OPPORTUNITY TO FILE A NOTICE OF INTENT TO APPEAR

This is your notice that the Montana Water Court will review Department of Natural Resources and Conservation (“DNRC”) issue remarks, placed on water right claims in the Basin 39G Interlocutory Decree which encompasses Beaver Creek, Tributary to Little Missouri River and its tributaries as well as groundwater located within Basin 39G. All of these claims were included in the Basin 39G Interlocutory Decree issued November 2, 2022. No objections were filed to any of the claims included in the 39G Interlocutory Decree. The Objection List mentioned below includes only issue remarks appearing on the claims.

WHAT IS HAPPENING?

An **Objection List** has been prepared that identifies the claim number, the ownership, the water source involved, and the general nature of the issues which the Water Court will review. Any of the claims on the list may change as a result of this review. *Changes to a neighbor's water right may affect your water rights.* After the Water Court completes its review of these claims, a water commissioner could be appointed to enforce the provisions of these claims on any of the sources involved. The purpose of this proceeding is to determine the historical beneficial use of the claims involved in this drainage. If you are not the claimant, but you would like to be kept informed of the progress of a water right claim through the Water Court, or to become involved as a third party in the claim proceedings, you may file a **Notice of Intent to Appear**.

WE SUGGEST YOU REVIEW THE OBJECTION LIST AND DECIDE WHETHER YOU WANT TO FILE A NOTICE OF INTENT TO APPEAR. YOU CAN SEE THE OBJECTION LIST FOR THIS BASIN AND OBTAIN THE PROPER FORMS AT THE LOCATIONS LISTED BELOW.

WHO MAY FILE A NOTICE OF INTENT TO APPEAR?

If you are ***not already involved*** in a specific water right claim as the claimant, but you wish to intervene and participate in a proceeding regarding a specific water right claim, you may file a **Notice of Intent to Appear**. Those who timely file a **Notice of Intent to Appear** on a claim will receive notice of all further proceedings relevant to the Court’s review of that specific claim.

FILING DEADLINE

A **Notice of Intent to Appear** must be filed on the forms provided by the Water Court and must be returned to the Water Court by **August 1, 2023**.
