Montana Water Court

TO Ray J. Dayton, JUDGE TO THE ABOVE-ENTITLED COURT:

The undersigned, representing Flint Creek Water Users Association, acting under a Contract with the Montana State Department of Natural Resources and Conservation, respectfully petition the court for the appointment of a Water commissioner pursuant to the provisions of M.C.A. Title 85-5-101 (3)

I.

Inasmuch as the course of flow of water from the East Fork Reservoir, in Granite County, Montana, flow through other natural water courses, including Rock Creek, Trout Creek, Flint Creek and then to the Allendale Canal, and;

Inasmuch as it has become necessary to have a Court appointed Water Commissioner with authority to admeasure and distribute the proper quantities and volume of water under the aforesaid contracts on the aforementioned water course system, and;

II.

It is requested that Scott McGregor, of Granite County, Montana, be appointed by the Court with the authority to act as Water Commissioner pertaining to the aforementioned waters from East Fork Reservoir continuously through to the head of, and including the head gates of, the Allendale Canal.

III.

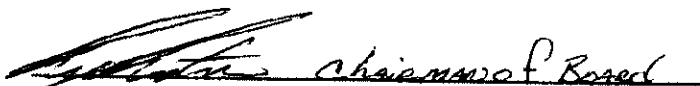

It is requested that this appointment be made immediately and continue for at least thirty (30) days during the irrigation season but terminate no later than October 15, 2020.

This period will be determined by the Board of Directors of the Flint Creek Water Users Association.

It is requested that the expenses in connection with the appointment and duties of the Water Commissioner be assessed against the Flint Creek Water Users Association.

WHEREFORE, Petitioner prays that under the provisions of M.C.A. Title 85-5-101 (3) that Scott McGregor be appointed as Water Commissioner for East Fork Reservoir water through the water course and system hereinabove described from the East Fork Reservoir continuously through to the head of, and including the head gates of, the Allendale Canal.

DATED this 15 day of April, 2020

 Chairman of Board

Flint Creek Water Users Association
