PUBLIC NOTICE

Notice of Final Decree and Opportunity to Petition for the Reduction, Modification, or Revocation of a Provisional Permit (Pursuant to Section 85-2-313(2), MCA)

Subject Basin: 40D - BIG DRY CREEK

Final Decree Issued Date: 03-11-2026

Petition Deadline: 11-04-2026

The Montana Water Court issued a final decree in Basin 40D - BIG DRY CREEK ("Subject Basin"). If you own a water right with a priority date before July 1, 1973, in the Subject Basin, you may file a petition asking The Montana Department of Natural Resources and Conservation (DNRC) to reduce, modify, or revoke a provisional permit in the Subject Basin under section 85-2-313(3), MCA.

To file a petition, a petitioner must:

- Be the current owner of record of a water right listed in the Final Decree for the Subject Basin.
- Fill out DNRC Water Rights Division Form 658.
- Include evidence in the petition that:
  - reduction, modification, or revocation of the provisional permit is necessary to protect the petitioner's existing water right determined in the Final Decree;
  - the provisional permit would have been denied or modified if the Final Decree had been available to the department; and
  - based on the Final Decree, water could not be considered legally available when the provisional permit was issued.
- File the petition with DNRC according to the directions on Form 658 by the petition deadline above.
- Serve the petition by first-class mail to all owners of record of the subject provisional permit by the petition deadline above.

For more information on the petition process, or to find DNRC Form 658, scan the QR code below or visit the DNRC webpage: https://dnrc.mt.gov/Water-Resources/Water-Rights/Permit-and-Change-Reconciliation-Process.

Notice of Final Decree and Opportunity to Petition for the Reduction, Modification, or Revocation of a Provisional Permit (Pursuant to Section 85-2-313(2), MCA)

Subject Basin: 40D - BIG DRY CREEK

Final Decree Issued Date: 03-11-2026

Petition Deadline: 11-04-2026

The Montana Water Court issued a final decree in Basin 40D - BIG DRY CREEK ("Subject Basin"). If you own a water right with a priority date before July 1, 1973, in the Subject Basin, you may file a petition asking The Montana Department of Natural Resources and Conservation (DNRC) to reduce, modify, or revoke a provisional permit in the Subject Basin under section 85-2-313(3), MCA.

To file a petition, a petitioner must:

- Be the current owner of record of a water right listed in the Final Decree for the Subject Basin.
- Fill out DNRC Water Rights Division Form 658.
- Include evidence in the petition that:
  - reduction, modification, or revocation of the provisional permit is necessary to protect the petitioner's existing water right determined in the Final Decree;
  - the provisional permit would have been denied or modified if the Final Decree had been available to the department; and
  - based on the Final Decree, water could not be considered legally available when the provisional permit was issued.
- File the petition with DNRC according to the directions on Form 658 by the petition deadline above.
- Serve the petition by first-class mail to all owners of record of the subject provisional permit by the petition deadline above.

- Be the current owner of record of a water right listed in the Final Decree for the Subject Basin.
- Fill out DNRC Water Rights Division Form 658.
- Include evidence in the petition that:
  - reduction, modification, or revocation of the provisional permit is necessary to protect the petitioner's existing water right determined in the Final Decree;
  - the provisional permit would have been denied or modified if the Final Decree had been available to the department; and
  - based on the Final Decree, water could not be considered legally available when the provisional permit was issued.
- File the petition with DNRC according to the directions on Form 658 by the petition deadline above.
- Serve the petition by first-class mail to all owners of record of the subject provisional permit by the petition deadline above.

For more information on the petition process, or to find DNRC Form 658, scan the QR code below or visit the DNRC webpage: https://dnrc.mt.gov/Water-Resources/Water-Rights/Permit-and-Change-Reconciliation-Process.

Petition Deadline: 11-04-2026

The Montana Water Court issued a final decree in Basin 40D - BIG DRY CREEK ("Subject Basin"). If you own a water right with a priority date before July 1, 1973, in the Subject Basin, you may file a petition asking The Montana Department of Natural Resources and Conservation (DNRC) to reduce, modify, or revoke a provisional permit in the Subject Basin under section 85-2-313(3), MCA.

To file a petition, a petitioner must:

- Be the current owner of record of a water right listed in the Final Decree for the Subject Basin.
- Fill out DNRC Water Rights Division Form 658.
- Include evidence in the petition that:
  - reduction, modification, or revocation of the provisional permit is necessary to protect the petitioner's existing water right determined in the Final Decree;
  - the provisional permit would have been denied or modified if the Final Decree had been available to the department; and
  - based on the Final Decree, water could not be considered legally available when the provisional permit was issued.
- File the petition with DNRC according to the directions on Form 658 by the petition deadline above.
- Serve the petition by first-class mail to all owners of record of the subject provisional permit by the petition deadline above.

For more information on the petition process, or to find DNRC Form 658, scan the QR code below or visit the DNRC webpage: https://dnrc.mt.gov/Water-Resources/Water-Rights/Permit-and-Change-Reconciliation-Process.

PUBLIC NOTICE

Notice of Final Decree and Opportunity to Petition for the Reduction, Modification, or Revocation of a Provisional Permit (Pursuant to Section 85-2-313(2), MCA)

Subject Basin: 40D - BIG DRY CREEK

Final Decree Issued Date: 03-11-2026

Petition Deadline: 11-04-2026

The Montana Water Court issued a final decree in Basin 40D - BIG DRY CREEK ("Subject Basin"). If you own a water right with a priority date before July 1, 1973, in the Subject Basin, you may file a petition asking The Montana Department of Natural Resources and Conservation (DNRC) to reduce, modify, or revoke a provisional permit in the Subject Basin under section 85-2-313(3), MCA.

To file a petition, a petitioner must:

- Be the current owner of record of a water right listed in the Final Decree for the Subject Basin.
- Fill out DNRC Water Rights Division Form 658.
- Include evidence in the petition that:
  - reduction, modification, or revocation of the provisional permit is necessary to protect the petitioner's existing water right determined in the Final Decree;
  - the provisional permit would have been denied or modified if the Final Decree had been available to the department; and
  - based on the Final Decree, water could not be considered legally available when the provisional permit was issued.
- File the petition with DNRC according to the directions on Form 658 by the petition deadline above.
- Serve the petition by first-class mail to all owners of record of the subject provisional permit by the petition deadline above.

For more information on the petition process, or to find DNRC Form 658, scan the QR code below or visit the DNRC webpage: https://dnrc.mt.gov/Water-Resources/Water-Rights/Permit-and-Change-Reconciliation-Process.

Notice of Final Decree and Opportunity to Petition for the Reduction, Modification, or Revocation of a Provisional Permit (Pursuant to Section 85-2-313(2), MCA)

Subject Basin: 40D - BIG DRY CREEK

Final Decree Issued Date: 03-11-2026

Petition Deadline: 11-04-2026

The Montana Water Court issued a final decree in Basin 40D - BIG DRY CREEK ("Subject Basin"). If you own a water right with a priority date before July 1, 1973, in the Subject Basin, you may file a petition asking The Montana Department of Natural Resources and Conservation (DNRC) to reduce, modify, or revoke a provisional permit in the Subject Basin under section 85-2-313(3), MCA.

To file a petition, a petitioner must:

- Be the current owner of record of a water right listed in the Final Decree for the Subject Basin.
- Fill out DNRC Water Rights Division Form 658.
- Include evidence in the petition that:
  - reduction, modification, or revocation of the provisional permit is necessary to protect the petitioner's existing water right determined in the Final Decree;
  - the provisional permit would have been denied or modified if the Final Decree had been available to the department; and
  - based on the Final Decree, water could not be considered legally available when the provisional permit was issued.
- File the petition with DNRC according to the directions on Form 658 by the petition deadline above.
- Serve the petition by first-class mail to all owners of record of the subject provisional permit by the petition deadline above.

For more information on the petition process, or to find DNRC Form 658, scan the QR code below or visit the DNRC webpage: https://dnrc.mt.gov/Water-Resources/Water-Rights/Permit-and-Change-Reconciliation-Process.

Notice of Final Decree and Opportunity to Petition for the Reduction, Modification, or Revocation of a Provisional Permit (Pursuant to Section 85-2-313(2), MCA)

Subject Basin: 40D - BIG DRY CREEK

Final Decree Issued Date: 03-11-2026

Petition Deadline: 11-04-2026

The Montana Water Court issued a final decree in Basin 40D - BIG DRY CREEK ("Subject Basin"). If you own a water right with a priority date before July 1, 1973, in the Subject Basin, you may file a petition asking The Montana Department of Natural Resources and Conservation (DNRC) to reduce, modify, or revoke a provisional permit in the Subject Basin under section 85-2-313(3), MCA.

To file a petition, a petitioner must:

- Be the current owner of record of a water right listed in the Final Decree for the Subject Basin.
- Fill out DNRC Water Rights Division Form 658.
- Include evidence in the petition that:
  - reduction, modification, or revocation of the provisional permit is necessary to protect the petitioner's existing water right determined in the Final Decree;
  - the provisional permit would have been denied or modified if the Final Decree had been available to the department; and
  - based on the Final Decree, water could not be considered legally available when the provisional permit was issued.
- File the petition with DNRC according to the directions on Form 658 by the petition deadline above.
- Serve the petition by first-class mail to all owners of record of the subject provisional permit by the petition deadline above.

If you own a water right with a priority date before July 1, 1973, in the Subject Basin, you may file a petition asking The Montana Department of Natural Resources and Conservation (DNRC) to reduce, modify, or revoke a provisional permit in the Subject Basin under section 85-2-313(3), MCA.

To file a petition, a petitioner must:

- Be the current owner of record of a water right listed in the Final Decree for the Subject Basin.
- Fill out DNRC Water Rights Division Form 658.
- Include evidence in the petition that:
  - reduction, modification, or revocation of the provisional permit is necessary to protect the petitioner's existing water right determined in the Final Decree;
  - the provisional permit would have been denied or modified if the Final Decree had been available to the department; and
  - based on the Final Decree, water could not be considered legally available when the provisional permit was issued.
- File the petition with DNRC according to the directions on Form 658 by the petition deadline above.
- Serve the petition by first-class mail to all owners of record of the subject provisional permit by the petition deadline above.

For more information on the petition process, or to find DNRC Form 658, scan the QR code below or visit the DNRC webpage: https://dnrc.mt.gov/Water-Resources/Water-Rights/Permit-and-Change-Reconciliation-Process.

Notice of Final Decree and Opportunity to Petition for the Reduction, Modification, or Revocation of a Provisional Permit (Pursuant to Section 85-2-313(2), MCA)

Subject Basin: 40D - BIG DRY CREEK

Final Decree Issued Date: 03-11-2026

Petition Deadline: 11-04-2026

The Montana Water Court issued a final decree in Basin 40D - BIG DRY CREEK ("Subject Basin"). If you own a water right with a priority date before July 1, 1973, in the Subject Basin, you may file a petition asking The Montana Department of Natural Resources and Conservation (DNRC) to reduce, modify, or revoke a provisional permit in the Subject Basin under section 85-2-313(3), MCA.

To file a petition, a petitioner must:

- Be the current owner of record of a water right listed in the Final Decree for the Subject Basin.
- Fill out DNRC Water Rights Division Form 658.
- Include evidence in the petition that:
  - reduction, modification, or revocation of the provisional permit is necessary to protect the petitioner's existing water right determined in the Final Decree;
  - the provisional permit would have been denied or modified if the Final Decree had been available to the department; and
  - based on the Final Decree, water could not be considered legally available when the provisional permit was issued.
- File the petition with DNRC according to the directions on Form 658 by the petition deadline above.
- Serve the petition by first-class mail to all owners of record of the subject provisional permit by the petition deadline above.

For more information on the petition process, or to find DNRC Form 658, scan the QR code below or visit the DNRC webpage: https://dnrc.mt.gov/Water-Resources/Water-Rights/Permit-and-Change-Reconciliation-Process.

PUBLIC NOTICE

Notice of Final Decree and Opportunity to Petition for the Reduction, Modification, or Revocation of a Provisional Permit (Pursuant to Section 85-2-313(2), MCA)

Subject Basin: 40D - BIG DRY CREEK

Final Decree Issued Date: 03-11-2026

Petition Deadline: 11-04-2026

The Montana Water Court issued a final decree in Basin 40D - BIG DRY CREEK ("Subject Basin"). If you own a water right with a priority date before July 1, 1973, in the Subject Basin, you may file a petition asking The Montana Department of Natural Resources and Conservation (DNRC) to reduce, modify, or revoke a provisional permit in the Subject Basin under section 85-2-313(3), MCA.

To file a petition, a petitioner must:

- Be the current owner of record of a water right listed in the Final Decree for the Subject Basin.
- Fill out DNRC Water Rights Division Form 658.
- Include evidence in the petition that:
  - reduction, modification, or revocation of the provisional permit is necessary to protect the petitioner's existing water right determined in the Final Decree;
  - the provisional permit would have been denied or modified if the Final Decree had been available to the department; and
  - based on the Final Decree, water could not be considered legally available when the provisional permit was issued.
- File the petition with DNRC according to the directions on Form 658 by the petition deadline above.
- Serve the petition by first-class mail to all owners of record of the subject provisional permit by the petition deadline above.

For more information on the petition process, or to find DNRC Form 658, scan the QR code below or visit the DNRC webpage: https://dnrc.mt.gov/Water-Resources/Water-Rights/Permit-and-Change-Reconciliation-Process.

Notice of Final Decree and Opportunity to Petition for the Reduction, Modification, or Revocation of a Provisional Permit (Pursuant to Section 85-2-313(2), MCA)

Subject Basin: 40D - BIG DRY CREEK

Final Decree Issued Date: 03-11-2026

Petition Deadline: 11-04-2026

The Montana Water Court issued a final decree in Basin 40D - BIG DRY CREEK ("Subject Basin"). If you own a water right with a priority date before July 1, 1973, in the Subject Basin, you may file a petition asking The Montana Department of Natural Resources and Conservation (DNRC) to reduce, modify, or revoke a provisional permit in the Subject Basin under section 85-2-313(3), MCA.

To file a petition, a petitioner must:

- Be the current owner of record of a water right listed in the Final Decree for the Subject Basin.
- Fill out DNRC Water Rights Division Form 658.
- Include evidence in the petition that:
  - reduction, modification, or revocation of the provisional permit is necessary to protect the petitioner's existing water right determined in the Final Decree;
  - the provisional permit would have been denied or modified if the Final Decree had been available to the department; and
  - based on the Final Decree, water could not be considered legally available when the provisional permit was issued.
- File the petition with DNRC according to the directions on Form 658 by the petition deadline above.
- Serve the petition by first-class mail to all owners of record of the subject provisional permit by the petition deadline above.

To file a petition, a petitioner must:

- Be the current owner of record of a water right listed in the Final Decree for the Subject Basin.
- Fill out DNRC Water Rights Division Form 658.
- Include evidence in the petition that:
  - reduction, modification, or revocation of the provisional permit is necessary to protect the petitioner's existing water right determined in the Final Decree;
  - the provisional permit would have been denied or modified if the Final Decree had been available to the department; and
  - based on the Final Decree, water could not be considered legally available when the provisional permit was issued.
- File the petition with DNRC according to the directions on Form 658 by the petition deadline above.
- Serve the petition by first-class mail to all owners of record of the subject provisional permit by the petition deadline above.

For more information on the petition process, or to find DNRC Form 658, scan the QR code below or visit the DNRC webpage: https://dnrc.mt.gov/Water-Resources/Water-Rights/Permit-and-Change-Reconciliation-Process.

Notice of Final Decree and Opportunity to Petition for the Reduction, Modification, or Revocation of a Provisional Permit (Pursuant to Section 85-2-313(2), MCA)

Subject Basin: 40D - BIG DRY CREEK

Final Decree Issued Date: 03-11-2026

Petition Deadline: 11-04-2026

The Montana Water Court issued a final decree in Basin 40D - BIG DRY CREEK ("Subject Basin"). If you own a water right with a priority date before July 1, 1973, in the Subject Basin, you may file a petition asking The Montana Department of Natural Resources and Conservation (DNRC) to reduce, modify, or revoke a provisional permit in the Subject Basin under section 85-2-313(3), MCA.

To file a petition, a petitioner must:

- Be the current owner of record of a water right listed in the Final Decree for the Subject Basin.
- Fill out DNRC Water Rights Division Form 658.
- Include evidence in the petition that:
  - reduction, modification, or revocation of the provisional permit is necessary to protect the petitioner's existing water right determined in the Final Decree;
  - the provisional permit would have been denied or modified if the Final Decree had been available to the department; and
  - based on the Final Decree, water could not be considered legally available when the provisional permit was issued.
- File the petition with DNRC according to the directions on Form 658 by the petition deadline above.
- Serve the petition by first-class mail to all owners of record of the subject provisional permit by the petition deadline above.

For more information on the petition process, or to find DNRC Form 658, scan the QR code below or visit the DNRC webpage: https://dnrc.mt.gov/Water-Resources/Water-Rights/Permit-and-Change-Reconciliation-Process.

Notice of Final Decree and Opportunity to Petition for the Reduction, Modification, or Revocation of a Provisional Permit (Pursuant to Section 85-2-313(2), MCA)

Subject Basin: 40D - BIG DRY CREEK

Final Decree Issued Date: 03-11-2026

Petition Deadline: 11-04-2026

The Montana Water Court issued a final decree in Basin 40D - BIG DRY CREEK ("Subject Basin"). If you own a water right with a priority date before July 1, 1973, in the Subject Basin, you may file a petition asking The Montana Department of Natural Resources and Conservation (DNRC) to reduce, modify, or revoke a provisional permit in the Subject Basin under section 85-2-313(3), MCA.

To file a petition, a petitioner must:

- Be the current owner of record of a water right listed in the Final Decree for the Subject Basin.
- Fill out DNRC Water Rights Division Form 658.
- Include evidence in the petition that:
  - reduction, modification, or revocation of the provisional permit is necessary to protect the petitioner's existing water right determined in the Final Decree;
  - the provisional permit would have been denied or modified if the Final Decree had been available to the department; and
  - based on the Final Decree, water could not be considered legally available when the provisional permit was issued.
- File the petition with DNRC according to the directions on Form 658 by the petition deadline above.
- Serve the petition by first-class mail to all owners of record of the subject provisional permit by the petition deadline above.

If you own a water right with a priority date before July 1, 1973, in the Subject Basin, you may file a petition asking The Montana Department of Natural Resources and Conservation (DNRC) to reduce, modify, or revoke a provisional permit in the Subject Basin under section 85-2-313(3), MCA.

To file a petition, a petitioner must:

- Be the current owner of record of a water right listed in the Final Decree for the Subject Basin.
- Fill out DNRC Water Rights Division Form 658.
- Include evidence in the petition that:
  - reduction, modification, or revocation of the provisional permit is necessary to protect the petitioner's existing water right determined in the Final Decree;
  - the provisional permit would have been denied or modified if the Final Decree had been available to the department; and
  - based on the Final Decree, water could not be considered legally available when the provisional permit was issued.
- File the petition with DNRC according to the directions on Form 658 by the petition deadline above.
- Serve the petition by first-class mail to all owners of record of the subject provisional permit by the petition deadline above.

For more information on the petition process, or to find DNRC Form 658, scan the QR code below or visit the DNRC webpage: https://dnrc.mt.gov/Water-Resources/Water-Rights/Permit-and-Change-Reconciliation-Process.

Notice of Final Decree and Opportunity to Petition for the Reduction, Modification, or Revocation of a Provisional Permit (Pursuant to Section 85-2-313(2), MCA)

Subject Basin: 40D - BIG DRY CREEK

Final Decree Issued Date: 03-11-2026

Petition Deadline: 11-04-2026

The Montana Water Court issued a final decree in Basin 40D - BIG DRY CREEK ("Subject Basin"). If you own a water right with a priority date before July 1, 1973, in the Subject Basin, you may file a petition asking The Montana Department of Natural Resources and Conservation (DNRC) to reduce, modify, or revoke a provisional permit in the Subject Basin under section 85-2-313(3), MCA.

To file a petition, a petitioner must:

- Be the current owner of record of a water right listed in the Final Decree for the Subject Basin.
- Fill out DNRC Water Rights Division Form 658.
- Include evidence in the petition that:
  - reduction, modification, or revocation of the provisional permit is necessary to protect the petitioner's existing water right determined in the Final Decree;
  - the provisional permit would have been denied or modified if the Final Decree had been available to the department; and
  - based on the Final Decree, water could not be considered legally available when the provisional permit was issued.
- File the petition with DNRC according to the directions on Form 658 by the petition deadline above.
- Serve the petition by first-class mail to all owners of record of the subject provisional permit by the petition deadline above.

For more information on the petition process, or to find DNRC Form 658, scan the QR code below or visit the DNRC webpage: https://dnrc.mt.gov/Water-Resources/Water-Rights/Permit-and-Change-Reconciliation-Process.

PUBLIC NOTICE

Notice of Final Decree and Opportunity to Petition for the Reduction, Modification, or Revocation of a Provisional Permit (Pursuant to Section 85-2-313(2), MCA)

Subject Basin: 40D - BIG DRY CREEK

Final Decree Issued Date: 03-11-2026

Petition Deadline: 11-04-2026

The Montana Water Court issued a final decree in Basin 40D - BIG DRY CREEK ("Subject Basin"). If you own a water right with a priority date before July 1, 1973, in the Subject Basin, you may file a petition asking The Montana Department of Natural Resources and Conservation (DNRC) to reduce, modify, or revoke a provisional permit in the Subject Basin under section 85-2-313(3), MCA.

To file a petition, a petitioner must:

- Be the current owner of record of a water right listed in the Final Decree for the Subject Basin.
- Fill out DNRC Water Rights Division Form 658.
- Include evidence in the petition that:
  - reduction, modification, or revocation of the provisional permit is necessary to protect the petitioner's existing water right determined in the Final Decree;
  - the provisional permit would have been denied or modified if the Final Decree had been available to the department; and
  - based on the Final Decree, water could not be considered legally available when the provisional permit was issued.
- File the petition with DNRC according to the directions on Form 658 by the petition deadline above.
- Serve the petition by first-class mail to all owners of record of the subject provisional permit by the petition deadline above.

For more information on the petition process, or to find DNRC Form 658, scan the QR code below or visit the DNRC webpage: https://dnrc.mt.gov/Water-Resources/Water-Rights/Permit-and-Change-Reconciliation-Process.

Notice of Final Decree and Opportunity to Petition for the Reduction, Modification, or Revocation of a Provisional Permit (Pursuant to Section 85-2-313(2), MCA)

Subject Basin: 40D - BIG DRY CREEK

Final Decree Issued Date: 03-11-2026

Petition Deadline: 11-04-2026

The Montana Water Court issued a final decree in Basin 40D - BIG DRY CREEK ("Subject Basin"). If you own a water right with a priority date before July 1, 1973, in the Subject Basin, you may file a petition asking The Montana Department of Natural Resources and Conservation (DNRC) to reduce, modify, or revoke a provisional permit in the Subject Basin under section 85-2-313(3), MCA.

To file a petition, a petitioner must:

- Be the current owner of record of a water right listed in the Final Decree for the Subject Basin.
- Fill out DNRC Water Rights Division Form 658.
- Include evidence in the petition that:
  - reduction, modification, or revocation of the provisional permit is necessary to protect the petitioner's existing water right determined in the Final Decree;
  - the provisional permit would have been denied or modified if the Final Decree had been available to the department; and
  - based on the Final Decree, water could not be considered legally available when the provisional permit was issued.
- File the petition with DNRC according to the directions on Form 658 by the petition deadline above.
- Serve the petition by first-class mail to all owners of record of the subject provisional permit by the petition deadline above.

If you own a water right with a priority date before July 1, 1973, in the Subject Basin, you may file a petition asking The Montana Department of Natural Resources and Conservation (DNRC) to reduce, modify, or revoke a provisional permit in the Subject Basin under section 85-2-313(3), MCA.

To file a petition, a petitioner must:

- Be the current owner of record of a water right listed in the Final Decree for the Subject Basin.
- Fill out DNRC Water Rights Division Form 658.
- Include evidence in the petition that:
  - reduction, modification, or revocation of the provisional permit is necessary to protect the petitioner's existing water right determined in the Final Decree;
  - the provisional permit would have been denied or modified if the Final Decree had been available to the department; and
  - based on the Final Decree, water could not be considered legally available when the provisional permit was issued.
- File the petition with DNRC according to the directions on Form 658 by the petition deadline above.
- Serve the petition by first-class mail to all owners of record of the subject provisional permit by the petition deadline above.

For more information on the petition process, or to find DNRC Form 658, scan the QR code below or visit the DNRC webpage: https://dnrc.mt.gov/Water-Resources/Water-Rights/Permit-and-Change-Reconciliation-Process.

Notice of Final Decree and Opportunity to Petition for the Reduction, Modification, or Revocation of a Provisional Permit (Pursuant to Section 85-2-313(2), MCA)

Subject Basin: 40D - BIG DRY CREEK

Final Decree Issued Date: 03-11-2026

Petition Deadline: 11-04-2026

The Montana Water Court issued a final decree in Basin 40D - BIG DRY CREEK ("Subject Basin"). If you own a water right with a priority date before July 1, 1973, in the Subject Basin, you may file a petition asking The Montana Department of Natural Resources and Conservation (DNRC) to reduce, modify, or revoke a provisional permit in the Subject Basin under section 85-2-313(3), MCA.

To file a petition, a petitioner must:

- Be the current owner of record of a water right listed in the Final Decree for the Subject Basin.
- Fill out DNRC Water Rights Division Form 658.
- Include evidence in the petition that:
  - reduction, modification, or revocation of the provisional permit is necessary to protect the petitioner's existing water right determined in the Final Decree;
  - the provisional permit would have been denied or modified if the Final Decree had been available to the department; and
  - based on the Final Decree, water could not be considered legally available when the provisional permit was issued.
- File the petition with DNRC according to the directions on Form 658 by the petition deadline above.
- Serve the petition by first-class mail to all owners of record of the subject provisional permit by the petition deadline above.

For more information on the petition process, or to find DNRC Form 658, scan the QR code below or visit the DNRC webpage: https://dnrc.mt.gov/Water-Resources/Water-Rights/Permit-and-Change-Reconciliation-Process.
