

# CAT CAMP

Engine Academy & Firefighter Training

JUNE 6-8, 2025

## WHO?

All wildland firefighters & interested incident management team (IMT) trainees

## WHAT?

Montana County Assist Team (CAT) is hosting the annual CAT Camp and Engine Academy, focused on preparing ordered resources for wildland fire response. This hands-on training offers a chance to experience fire camp life, test gear, build skills, and work on your Position Task Book (PTB), including live fire exercises for all experience levels. Connect with fellow firefighters from across the state and get ready for the 2025 season.

## WHEN?

Friday, June 6 (check-in begins at 4 p.m.) to Sunday, June 8, mid-day

## WHERE?

Camp: 15 miles east of Lewistown, MT  
Directions provided upon registration

**DEADLINE: MAY 30, 2025**

Fill out the nomination form [by clicking this link](#) or scan the QR code by May 30, 2025.

*Detailed information regarding location, student expectations, supplies, and requirements will be sent out to attendees via email prior to the event.*
